

Foster Care Handover Checklist

Thank you for agreeing to foster an animal in need and give it the chance for a loving home. To assist the animal's transition to its next foster home or forever family, can you please take the time to complete this form and provide it to the Shelter or Rescue Organisation when dropping off your foster baby.

Shelter/Rescue Organisation's Name	
Foster Pet's Name/s	
Date of foster period	
Details of vet where pet is registered	

Your Name	
Mobile number	
Email	

What type of food was provided and frequency	
What type of behaviour did the pet/s display (eg quiet and calm/aggressive etc)	
What, if any, training did you provide during this foster period	
What commands is the pet familiar with	
Is the pet crate trained to your knowledge	
Is the pet toilet trained to your knowledge	
How long did you spend playing with/exercising the pet each day	
Did the pet/s live inside or outside the house	
Where did the pet/s sleep at night (crate/room etc)	
Where did the pet/s stay during the day while you were at home	
Where did the pet/s stay during the day when you were not at home	
Were there any other pets living in the house during the foster period, if so which types	
What were the pet's responses to other cats and dogs when out walking or socialising (i.e. if not co-existing in same house)	

Please provide any other information about the pet or its behaviour that you feel would assist with the pet's next transition either back to the shelter/rescue organisation, the next foster or forever family.

Thank you so much for taking the time to prepare this handover summary 😊
